Workshop Overview:

Sign language interpreters' deal with interpreting auditory information on a daily basis, yet are occasionally challenged when faced with the task of interpreting music. This presentation will address concerns related to interpreting music, identify key strategies and best practices as well as provide opportunity for hands-on activities and discussion.

Educational Objectives:

- Types and Styles Music: Instrumental and Lyrical
- Music Components and Visual Equivalentents
- Strategies and Best Practices
- Ethical Considerations
- Situational Scenarios

Activity Plan: Introduction to the lecture and presenter as well as a question and answer session.

Refund and Cancellation Policy:

Cancellations must be received 10 days prior to the event for a full refund, cancellations received after that time will not be refunded. In the event NCRID and (Sponsoring Group) cancel the event, full refunds will be issued.
